

SIGNATURE STRENGTHS™ PERFORMANCE PROGRAM

Imagine being recognised for leading a team of exceptional employees who are innovative with Communication, initiate Collaboration and inspire others with how to better manage Change?

Business leaders who acknowledge the role of values [attitudes and beliefs] know these 3-key areas are critical to elevating performance, enhancing career potential and increasing return on investment.

- Are employee strengths identified to maximise productivity?
- How much would proficiency elevate your business growth?
- Imagine the effect of unleashing undiscovered potential?

The Signature Strengths™ 6-step program is an innovative process for business leaders and their teams who are committed to elevating business practice from everyday transactional, to transformational.

Consider how **The Signature Strengths™ Performance Program** can **BENEFIT YOUR BUSINESS** and make time to confidentially discuss your needs.

“When problems arise in business, 9/10 times it’s because we don’t know how values work, and the solution is to acknowledge their strengths and benefits.”

Christopher Howard - Wealth Strategist

“78% of employees with identified strengths feel they’re making a difference and appreciated; with 77% reporting they are engaged and flourishing.”

The 2015 STRENGTHS @WORK SURVEY
Michelle McQuaid

Program Overview:

1. Identify Signature Strengths™, acknowledge potential and initiate improved results
2. Transfer attributes and improve Key Result Areas
3. Present individual results at Performance Review and at organisational ‘Showcase.’

“The secret of effective business is to understand your people and make use of their strengths.”

Peter Drucker - Harvard Business Review
